STUDENTSPACE

Brand-new student dorms in the heart of Krakow!

StudentSpace offers modern, fully equipped accommodation for students in Kraków, designed not only for studying but also for socializing and building relationships. We provide comfortable rooms with private bathrooms and kitchenettes, as well as spacious common areas for studying, relaxing, and group activities.

StudentSpace is a place where students from all over the world can create lasting memories and build international friendships.

STUDENTSPACE

StudentSpace is an initiative born from a combination of industry experience and a passion for creating exceptional living spaces for students. Our goal is to develop over 5,000 spots in dormitories over the next 3-5 years, with the first properties opening in Krakow in September 2025.
